In Attendance – Jenny Buhr (Pres.), Josh Hanson (Vice Pres.), Kelly Meyer (Secretary),
LeighAnn Knopp (Treasurer), Morgan Almer, Lars Knoblock

- Thoughts about having someone else end the class on the second night (like Lars)
- Jenny reached out to Larry from Indoor Air Solutions – waiting to hear back from him
 - * if possible will replace new construction with Larry, and only have a few highlights on new construction.
- Also talked about having the realtor cover the closing portion.
- Remember to have the lender talk about the money available through the NDHA because of taking the class
- Reviewed the survey given at the end of the class and decided to remove question 7.
- It was decided to give Jenn and LeighAnn access to the bank account
- Jenny is meeting with her tax person on 02/16 to review the 501c3 forms and will submit when complete
 - (update – 501c3 papers were submitted on Friday. Well done Jenny)
- Marketing materials need to be created so they can be distributed to businesses for possible sponsorships.
 - * ideas of \$10k and \$5k for large box store and how they would be promoted at the class and on our website
